

5th Transnational Partner Meeting in Vienna, Austria Hosted by BEST Vienna, 13th-14th January 2020

In a very lively working and learning atmosphere ProfiTRAIN partners shared experiences about the IO 3 Pilot Seminars and developed consequences for finalizing the Self-Study-Manual and the Guide for train the trainers. We also did have fruitful discussions about our IO 4 European Roadmap which will be our final product. At the end we agreed on a 5 pages task and to do list until we meet again for our final meeting in Praha in June 2020.
